I think it would make sense for someone from the Corps to attend the meeting below (it is in the a.m.). This will be an important meeting to discuss with the new consultant (ICF) the process and timing for moving ahead with the BDCP Effects Analysis and the EIS.

Hello David,

Chuck asked that I reach out to you to regarding the upcoming 5 Agency Meeting this Tuesday, June 28th. Do you happen to know who will be attending from the Federal Lead Agencies?

Thank you,
